Tacos Move to Palm Beach with Coyo Taco Opening

Miami's Coyo Taco just made its way up north to Palm Beach!

This is the first location outside Miami-Dade County for this Mexican cuisine group, with two other venues in Wynwood and Brickell. The guacamole will be made to order and the tortillas are made in-house, too. Veggies are locally sourced, meat and seafood naturally raised and humanely treated. The philosophy is "everything fresh," which one would hope is the motto of all restaurants! *340 Royal Poinciana Way, Palm Beach; coyo-taco.com*
